SQUAREFORM® *benchtops*

- SEAMLESS *square front edge*
- STONE SLAB *appearance*
- 24 *décor options*

The kitchen is the most creative space in your home, and the benchtop is where the process begins. The **LAMINEX® SQUAREFORM®** *benchtops* range gives you the beautiful modern look of stone slab, with the practicality and economy of laminate.

Sharp edges are gone – **SQUAREFORM** *benchtops* feature a seamless, deep square front edge. The fully sealed 39mm thick benchtop fabricated with a premium adhesive, ensures greater resistance to moisture and heat. Another important feature is the underside drip-groove, which channels water spillage away from the benchtop surface and kitchen cupboards. Stylish and opulent, **SQUAREFORM** *benchtops* are designed to harmoniously co-ordinate with the complete range of Laminex products. There are 24 options in the palette, including 12 colours chosen exclusively for **SQUAREFORM** *benchtops*. All products come with a seven-year limited warranty.

LAMINEX SQUAREFORM benchtops are marketed, distributed and manufactured by The Laminex Group. In Australia – a division of **LAMINEX GROUP PTY LIMITED** ABN 98 004 093 092. In New Zealand – a division of **FLETCHER BUILDING PRODUCTS LTD**. The colours of the photographs depicted in this brochure are as close to the **LAMINEX SQUAREFORM benchtop** range as photographic lighting and modern printing processes allow. Colour/finish combinations are subject to availability. Colours/finishes shown are available at the time of publication, but may be withdrawn. Dark colours require more care and maintenance than light-coloured surfaces. The Laminex Group recommends the use of laminate cleaning products for dark colours, please visit our website, as above, for specific care and cleaning information. Please note that in certain lights or from different angles wipe down marks may be visible. **LAMINEX SQUAREFORM benchtops** are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. **LAMINEX SQUAREFORM benchtops** should be protected from strong direct sunlight as continuous exposure may cause discolouration or fading to the surface over time. "Seamless Edges" in relation to **LAMINEX SQUAREFORM benchtops** refer directly to the front edge of the benchtop where the join has been eliminated. The joining seam will be visible in the case of the short side edges of the benchtop, and also where benches join at right angles or similar; as with all normal benchtop applications. Please obtain a copy of the terms and conditions of the **LAMINEX SQUAREFORM benchtops** 7 Year Limited Warranty from The Laminex Group or visit our website. This Warranty is in addition to any rights that may exist under the Trade Practices Act and/or Consumers Guarantee Act (NZ).
