LAMINEX CONTOUR FINEDGE doors are made using **LAMINEX LAMIWOOD**, a Greenfirst initiative from The Laminex Group. **LAMINEX LAMIWOOD** is an Environmental Choice Australia Certified product. **LAMINEX CONTOUR FINEDGE doors** are marketed, distributed and manufactured by The Laminex Group. A division of Laminex Group Pty Limited ABN 98 004 093 092. The colours of the photographs depicted in this brochure are as close to the **LAMINEX CONTOUR FINEDGE doors** range as photographic lighting and modern printing processes allow. Colour/finish combinations are subject to availability. Colours/finishes shown are available at the time of publication, but may be withdrawn. Dark colours require more care and maintenance than light-coloured surfaces. The Laminex Group recommends the use of mild household cleaning products for dark colours, please visit laminex.com.au for specific care and cleaning information. Please note that in certain lights or from different angles wipe down marks may be visible. **LAMINEX CONTOUR FINEDGE doors** are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. **LAMINEX CONTOUR FINEDGE doors** should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface over time. Please obtain a copy of the terms and conditions of the **LAMINEX CONTOUR FINEDGE doors** 12 year limited warranty from The Laminex Group or visit laminex.com.au.
